Dear Customer,

You may change your mind within 30 days of receiving your items.

How to return an item in three easy steps

1. Carefully pack all the items you wish to return. We recommend using the original packaging.
2. Fill out the return form and include it in the parcel. Please make sure to write your number.
3. Send your parcel to our address and remember to ask for proof of purchase incl. tracking number from the postal service. Make sure to choose a business delivery option (not access point, parcel shop or other type of pick up point). We recommend UPS or GLS.
